I am happy to present the June 2021 issue to all of you. Several projects have been commissioned in the month of June. The former will help smoothen the flow of traffic, reduce the travel time of citizens, ease the congestion, and reduce pollution on Nagar road. There have been a lot of lessons to learn and these insights will certainly stand in good stead with us in our endeavors in the future. The one thing that stands out is the most active participation of citizens. We, the residents of the Nagar Palika Parishad Shamli respective of age, castes, creeds, religions, and localities have untidily participated in the creation of the Shamli Swachh Nagar Palika Parishad proposal. As I look into the future with great expectation, it is this one aspect of the municipality that gives me the greatest hope. We in the Nagar Palika Parishad Shamli would be very happy to receive your feedback on all matters that you feel are important.
